We spoke last month about the incredible new roster of superstars soon coming to you under the Harvey banner. If for some reason you missed that amazing list, just take a peek now...

There are going to be monthly Harvey comics starring THE FLINTSTONES, THE JETSONS, YOGI BEAR, BEETLE BAILEY, THE MUPPET BABIES and HANNA-BARBERA SPECIALS! There will also be a bi-monthly ALVIN AND THE CHIPMUNKS magazine and two new 3-issue mini-series starring the gang from BACK TO THE FUTURE and BEETLEJUICE.

Of course, that doesn't include our recent additions, FELIX, TOM & JERRY and WOODY WOODPECKER, as well as the original Harvey superstars RICHIE RICH, CASPER, SPOOKY, HOT STUFF, BABY HUEY and WENDY.

As we said last month, Harvey Comics has certainly become the House of Humor and the Seller of the Superstar!,

Now we'd like to say a little more about two of our recent additions. SAVED BY THE BELL, the Saturday morning live situation comedy about a fabulous gang of teenagers at a California high school, has taken the country by storm. This hour long show about a crew of wild and funny teens has risen to the top of the Saturday morning ratings as well as to the top of the list for daily syndicated shows. Rarely has a TV program earned such acclaim.

The reason is obvious when you take a look at our new comic starring the entire gang of Zack, Kelly, Slater, Jessie, Screech and Lisa! Oh, yes, and Mr. Belding, too. It's got all the humor, controversy and reality of the original show, taking on themes that only SAVED BY THE BELL would dare. It's like a grown-up teen-age comic and one, we promise, that won't disappoint you. Better order your copy today!

We'd also like to say a word about FELIX THE CAT. The new FELIX magazines are now featuring the work of Joe Oriolo, the creator of the FELIX THE CAT TV show that popularized the cat's famous bag of magic tricks. Joe Oriolo drew FELIX for long years on the comics page as well as in comic magazines. He was one of our greatest animators and creators, having also done HERCULES and JOHNNY CYPHER IN DIMENSION ZERO, two extraordinarily popular programs. Well, the material in our new FELIX issues is work done by Joe Oriolo and that other famous name connected with FELIX, Otto Messmer.

That, you'll find out, is something to see! You'll want to buy every issue and keep them in a safe place.

That says it for now. Don't forget to keep those letters and comments coming. See you next time.

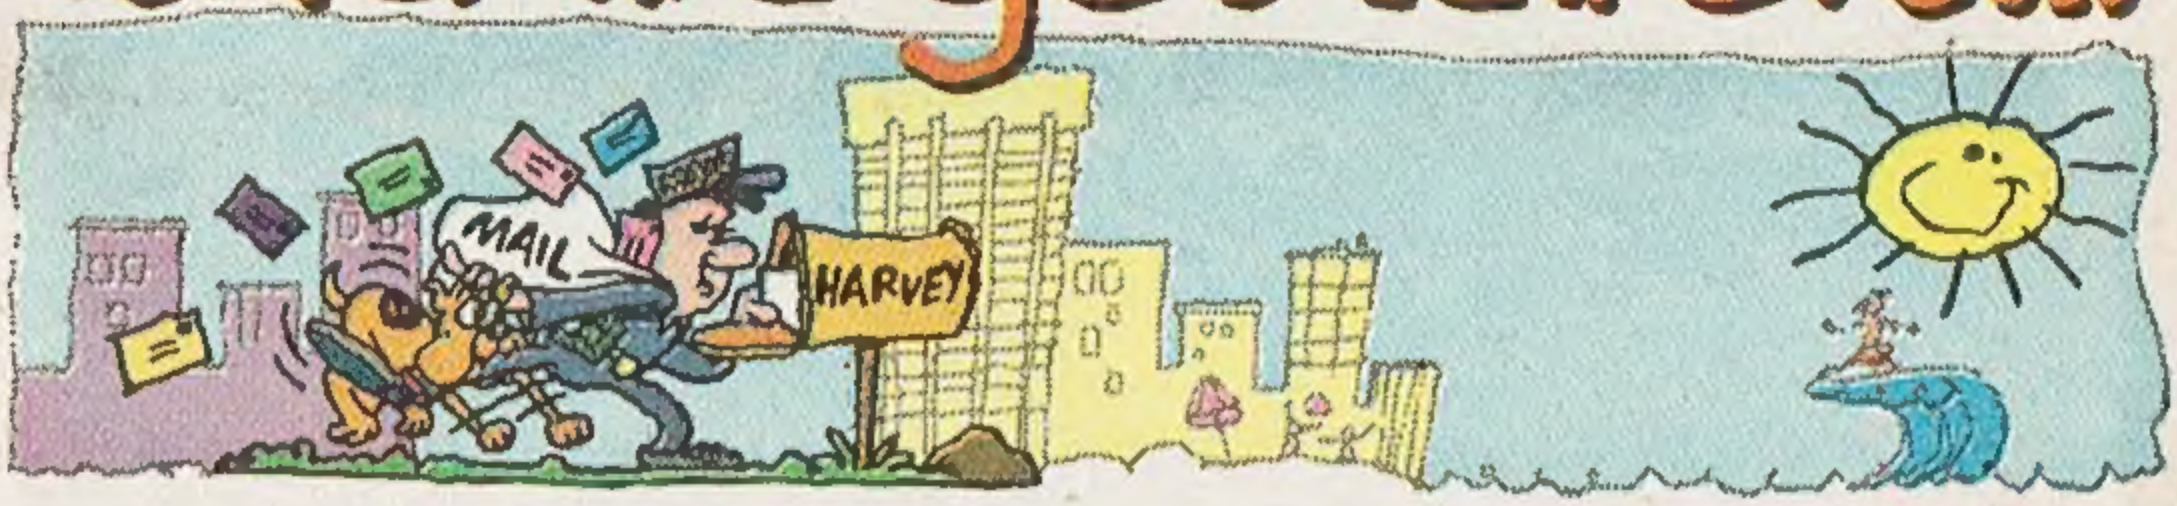
# and we get letters...



Dear Baby Huey,
I am big for my age which is 12. My parents used to live in North Dakota and when they were snowed in, they used to read Baby Huey comics or watch Baby Huey cartoons. Now my mother and father call me their Baby Huey.
Love, Kimberly "Baby Huey" Witt
Salinas, CA

***Dear Kimberly,***
***I wish I got to live in North Dakota, Kimberly, where I live it doesn't snow very much! I like the snow because then I can go skiing! Last winter I went skiing, but I ran into a tree and broke my skis...and the tree! (Papa says I can't go skiing anymore, but he didn't say anything about sledding!) I also think you have a very pretty name, Kimberly, and I think Papa and Mama should start calling me Baby "Kimberly Witt" Huey!***
***Your friend, Baby Huey***

Dear Nightmare,
You are really fun. I wish you could come to my house and I could go to your house. It would be fun, don't you think! I am your number one fan!
Love, Sara Garcia
Higley, AZ

***Dear Sarah,***
***I think you visiting my house and me visiting your house would be lots of fun, Sarah, and in a way we do! Whenever you read a comic book with me in it, I'm already at your house. And to get to my house, the only thing you need is a little imagination! Just close your eyes and think about one of my stories, and you'll be instantly transported to the Enchanted Forest!***
***Your friend, Nightmare***

Dear Spooky,
How are you? I hope you're fine. Have you been "booing" a lot of people lately? I really love your stories in Harvey Comics. Keep up the good work! P.S. Tell the gang I said "Hi!"
Sincerely, Karine Cyr
Montreal, Canada

***Dear Karine,***
***If you ask Poil, Karine, she'll say I've been BOOING too much, but if you ask me, it hasn't been nearly enough! BOOING is a sport, and right now I'm getting ready to enter the Enchanted Forest "BOO" Olympics. So the next time you write in, Karine, tell Poil how proud you are to see me in training!***
***Your pal, Spooky***

Dear Richie Rich,
You have the best comic in the world and you are rich too. I am six years old, and I know how to read, so I can read your comics.
Zack Barangan
Glen Head, NY

***Dear Zack,***
***I'm glad to see you like reading, Zack, and there's no better way to start than with a Richie Rich comic book! Even though I'm the richest boy in the world, I always feel richer when I hear from friends like you! And don't forget to read comics with my other friends in them, Zack, there's a whole world of Harvey Comics just waiting for you!***
***Your friend, Richie Rich***

Dear Casper,
I am a very great 5-year-old boy who is also an orange belt in Tae Kwon Do. I think you are great too. How about putting a new character who is always on a kid's side called "King Ghost!"
Thank you, Tim Kraft
Chicago, IL

***Dear Tim,***
***Hmmm...a King Ghost...that might not be a bad idea, Tim, but I'm not sure the Ghostly Trio could handle having another friendly ghost in the Enchanted Forest! Wow! I can't believe that you're an orange belt and only 5 years old! I think what we really need is a new karate kid character in our stories who's always on a ghost's side!***
***Your friend, Casper***
